#### Short League Has the Shorts

President Ed Day, main mogul of the City Short Ball League, appeared before the city council Tuesday night, to ask for an appropriation of \$25 to buy a trophy for the winner of the championship play-off series. "This looks like a bad case of the shorts," said one councilman. "What does 'Short Ball League' mean, anyway? Do you call it that because the base lines are short, the games are short, the players wear shorts, or because you are short of funds?"

"Well," says Ed, "since I am asking for a donation, it looks as if we were short of funds, but you can take your pick of the other reasons." The request was granted in short order.
